EXPERIENCE

2023-2025

Zero Labs Automotive. - Gardena, CA

Director Visualization and Design Modeling

Production of highly technically oriented graphic visualizations for a wide variety of automotive and engineering initiatives. Oversaw all photography needs and manage photography budget for all photo shoots. Provided the Marketing Director photography/3D renders/video and creative direction for web and social media platforms.

2017-2023

American Honda Motor Co. - Torrance, CA

3D Artist

Job responsibilities include building functionally accurate 3D models and animations for company training modules, technical information media, and marketing materials. Supporting instructional designers by translating conceptual storyboards into visual form.

2015-2017

JP Connelly - Los Angeles, CA

Associate Designer

Worked closely with an Emmy Award-winning designer to conceptualize and develop all necessary marketing/art materials supporting overall design messaging. Provided daily oversight on multiple projects as well as met weekly with the CEO and Art Director to discuss production scheduling and to address any design changes. Directed studio employees and monitored project tasks to ensure timely delivery of assets, increased productivity, and maintained on-schedule performance. Oversaw and video produced for Twitter/Vine Miami Ultra Music Festival. Other projects entailed working on The Voice, Celebrity Apprentice, Biggest Loser, Nike, Top Chef, Fox Sports 1, Skin Wars, and much more.

2013-2015

Decision Quest - Los Angeles, CA

Graphic Designer

Crafted visually appealing and content-rich PowerPoint presentations, as well as creating 3D graphics used in intellectual property, construction defect, toxic tort, criminal, real estate, and other key areas. Other duties included creating brochures, forms, and other products in both print and web-based products.

2011-2015

Dart Frog Creative - Remote

Freelance 3D Modeling/Texturing Artist

Creating architectural elements for Steelcase, Crate & Barrel, Kohler Interiors, and more.

2012

Hydrogen Whiskey - Los Angeles, CA

Freelance 3D Modeling/Texturing Artist

Specialized in digital modeling and custom effects for diverse projects such as detailed 3D simulations for major defense contractors and video games.
